

Franklin PUD Vendor List

The Public Utility District No. 1 of Franklin County, as required by RCW 39.04.190, is notifying the public of the existence of a vendor list and soliciting new vendors for the 2009 calendar year.

The vendor list consists of companies that provide materials, equipment, and supplies related to the transportation and distribution of electricity to end users, i.e. primary underground cable, transformers, circuit switchers, wood and steel power poles, overhead and underground distribution products, overhead transmission products, vehicles, as well as other related equipment and materials.

Vendors not already on the list may obtain applications by contacting Irma Guzman, Purchasing Manager, at (509) 546-5950 or iguzman@franklinpud.com.
