AGENDA ITEM 6

Franklin PUD Commission Meeting Packet
Agenda Item Summary

Presenter: Steve Ferraro
Operations Director
Date: September 12, 2023

REPORTING ONLY
 FOR DISCUSSION
 ACTION REQUIRED

1. OBJECTIVE:

Authorizing the General Manager/CEO or his Designee to Execute a Contract for Janitorial Services.

2. BACKGROUND:

In August 2023, the District requested quotes from contractors on the District’s Small Work Roster to perform janitorial services at the District’s Operations and Administration Offices. Staff received and evaluated two (2) quotes:

<u>Contractor:</u>	<u>Initial Term Total:</u>	<u>Total Contract:</u>	<u>Exceptions:</u>
ABM Industry Groups LLC	\$111,312	\$278,279	No
Intermountain Cleaning Services	\$ 71,600	\$179,000	No

Staff determined that the quote submitted by Intermountain Cleaning Services was the lowest responsive bid and within the District’s estimate. If authorized, the contract will have an initial term of sixteen (16) months effective September 1, 2023 through December 31, 2024, with the option to extend for two (2) additional twelve-month periods. The decision to extend will occur at the end of the initial term and will be based upon mutual agreement of both parties. The initial contract term and extensions individually are within the General Manager/CEO’s approval limits, but collectively would be \$179,000 which would exceed the amount the General Manager/CEO is authorized to approve. Per the Purchasing Approval and Payment Authority Policy No. 16, amounts over \$120,000 require approval from the Commission.

Staff recommends that the Commission authorize the General Manager/CEO or his designee to execute a contract with Intermountain Cleaning Services, the lowest responsive bidder, for janitorial services in an amount not to exceed \$71,600 for the initial term and if mutually agreed upon, the two additional terms for a total contract amount not to exceed \$179,000.

3. SUGGESTED MOTION:

I move to authorize the General Manager/CEO or his designee to execute a contract with Intermountain Cleaning Services, the lowest responsive bidder, for janitorial services in an amount not to exceed \$71,600 for the initial term and if mutually agreed upon, the two additional terms for a total contract amount not to exceed \$179,000.

1. OBJECTIVE:

Authorizing the General Manager/CEO or his Designee to Utilize OMNIA Contract No. EV2370 for the Purchase of a Liebert PDX Dry Cooler and Pump System.

2. BACKGROUND:

OMNIA is a public agency that offers cooperatively contracted products, equipment, and services to government entities. OMNIA awarded competitively solicited Contract No. EV2370 for electrical, lighting, data communications, and security products to Graybar Electric Company, Inc. in 2017. An Interlocal Agreement in place between the District and OMNIA allows the District to purchase equipment through Contract No. EV2370.

The District would like to purchase a Liebert PDX Dry Cooler and Pump System to replace a failing heating, ventilation, and air conditioning (HVAC) system that services the District's Information Technology server room and Colocation Room 1. OMNIA has a Liebert PDX Dry Cooler and Pump System available for purchase.

Staff recommends that the Commission authorize the General Manager/CEO or his designee to utilize OMNIA Contract No. EV2370 for the Purchase of a Liebert PDX Dry Cooler and Pump System in an amount not to exceed \$228,370.
