

SMALL WORKS ROSTER

The Public Utility District No. 1 of Franklin County is updating its Small Works Roster for projects under Three Hundred Fifty Thousand Dollars (\$350,000.00) for the 2023 calendar year. Such work under the Small Works Roster may consist of:

Auto detailing, auto maintenance/repair blasting, building construction, certified Telecomm cabling, concrete, electrician work, fencing, fiber optics/cabling, flooring, footing/foundation, grading/excavation, hazardous waste management, heating/AC, high-voltage overhead work, high-voltage underground work, hydro seeding, janitorial services, landscaping/landscape maintenance, machine work, materials testing, meter testing, painting, paving, plumbing, pole treatment/testing and replacement, rock drilling, roofing, steel fabrication, street light repair, substation maintenance/construction/footings, telecommunications infrastructure, tree trimming, trenching/backfilling, and weed control.

Additional work may consist of construction, building, renovation, remodeling, alteration, repair, and improvement of real property.

The purpose of this notice is to invite contractors not already on the District's Small Works Roster to submit an application for placement on the District's Small Works Roster.

Small Works Roster applications can be obtained on the District's website at www.franklinpud.com or by sending a request to purchasing@franklinpud.com. Please call Julie Anderson at (509) 546-5950 with questions.
